# About Juntos

---

## Juntos Co., Ltd.

Hakata SS Building 4F, 7-2 Hakata-eki Chuohgai,  
Hakata-ku, Fukuoka-shi, 812-0012

Fukuoka, Japan

Juntos was established in 1991 to provide bridge design service. Since 2004 Juntos has been successfully implementing CCPM for it.

Based on the practical experience, a department "TOC Consulting Group" was newly organized in Juntos. It has received intensive instruction from Mr. Oded Cohen, the International Director for Goldratt Schools, since 2007.

Goldratt Schools Japan (GS-Japan) was established under Mr. Cohen supervision in 2008.

# About Goldratt Schools (GS)

---

Goldratt Schools (GS) is a part of Goldratt Group, a world-wide organization established by Dr Eli Goldratt. Goldratt Group also includes Goldratt Consulting and Goldratt's Marketing Group.

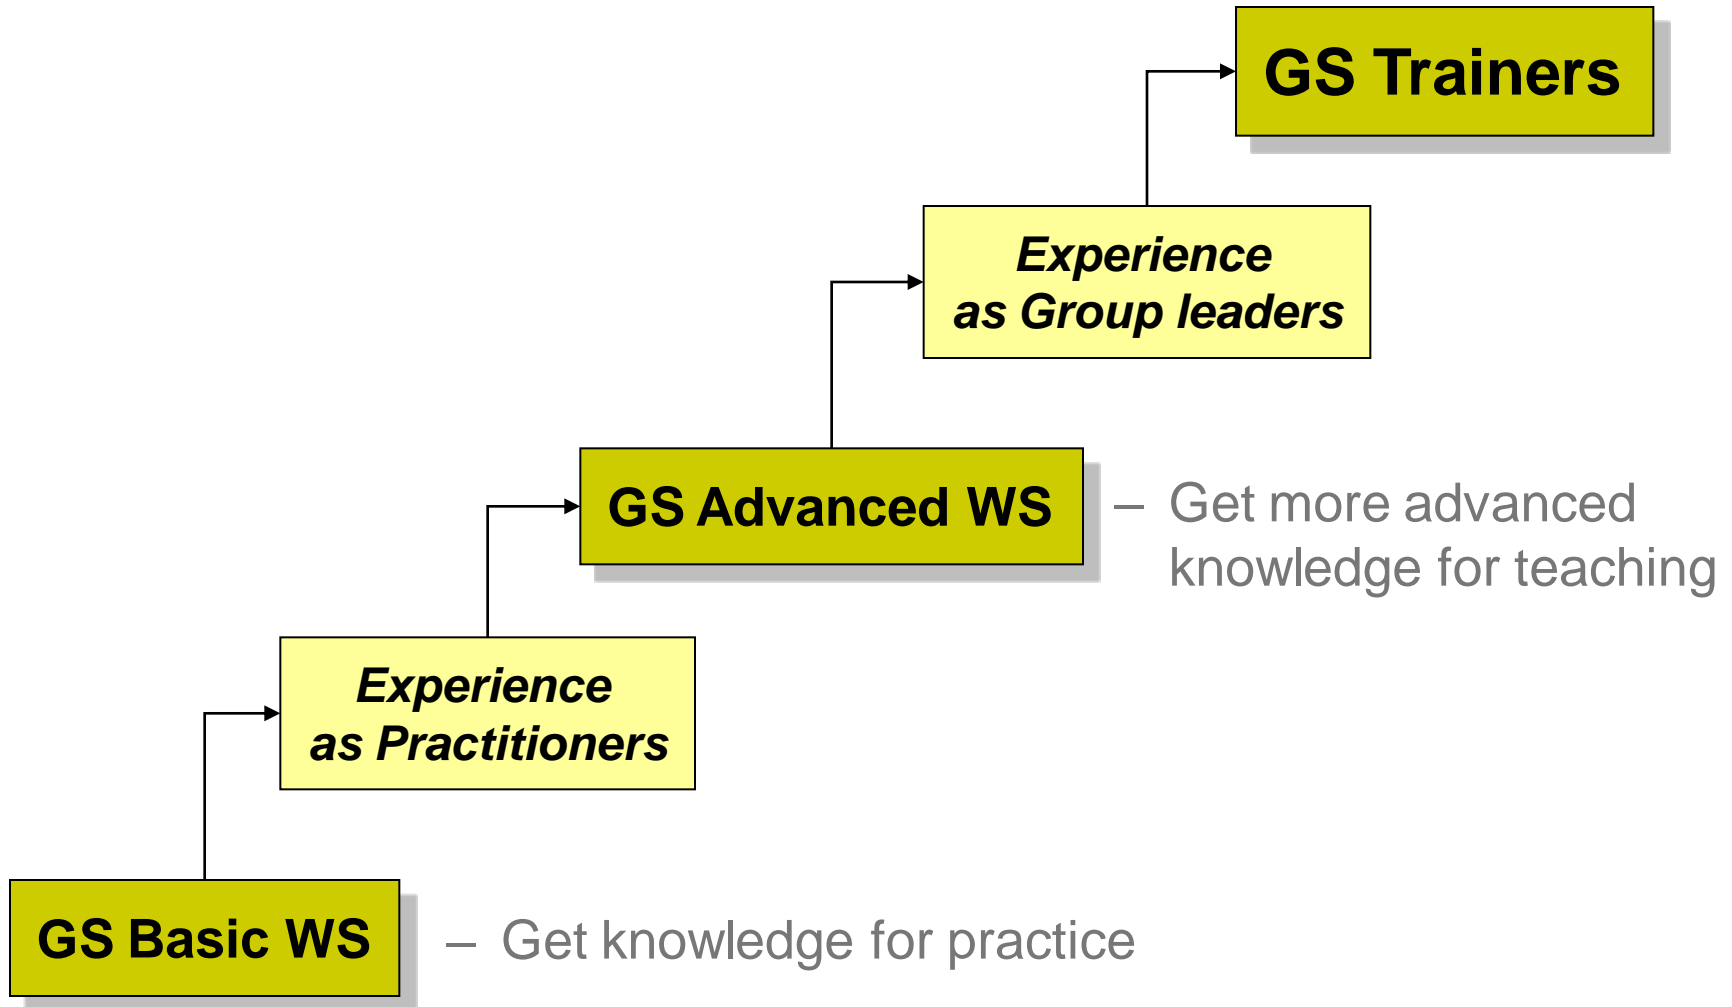

Goldratt Schools is about bringing the best and newest in the knowledge of Theory of Constraints (TOC) to managers and consultants in a globalised environment where operations take place on a multinational level.

Goldratt Schools is committed to ensure that the TOC knowledge is readily available for everyone who wants to learn and implement TOC with the help of trainers.

Goldratt Schools plays a major role in developing and supporting TOC Application Expertise and TOC Consultants who are given the knowledge and practical know-how for implementing TOC solutions.
